## CARTER HANDICAP.

First—Roseben (11 to 5).  
Second—Southern Cross (10 to 1).  
Third—Red Knight (30 to 1).  
Time—1:26 2-5.  
Purse—\$10,000.  
Distance—Seven furlongs.

(By Associated Press.)  
NEW YORK, April 16.—Roseben, the popular favorite, carrying top weight of 148 pounds, to-day won the Carter handicap, at seven furlongs, the feature of the opening day of Metropolitan racing at Aqueduct, the home of the Queens County Jockey Club.

The finish was fought out in a hard drive between Roseben and Southern Cross, an outsider. The favorite gamely responded to a masterly ride by Jockey Lucien Lyne, and won by a head.

A long gap of daylight separated the first two horses from the eleven starters in the race. Coming out of the rack at the sixteenth pole, Red Knight ran into third place, barely nipping the short end of the purse from Whimsical, second choice, in the betting. The race was run in 1:26 2-5, two-fifths of a second behind the track record.

The horses avoided the heavy going next to the rail, the result of yesterday's storm, and found the track near the center and outside rail very fast.

## Blow to Pool-Rooms.

In an effort to entirely disassociate racing in this State from any connection with pool-room gambling in New York city or elsewhere, the Queens County Jockey Club took charge of all telegraph wires running into the Aqueduct grounds and establishing a strict censorship over all telegrams, incoming and outgoing, with a dead line delay of twenty minutes on all of the outgoing messages. All telephone connection with the track has been discontinued, and the only way that the results of to-day's races could be known to the outside world, was by the time limit fixed by the Jockey Club, which was by sending of messengers from the track enclosure to some point in the vicinity of Aqueduct where a telephone was available.

Not only did the Jockey Club strictly guard the telegraph wires, but it withheld all advance information as to the starters, the assignments of jockeys, etc., even to those within the race enclosure. Heretofore the scratching of horses has been announced as soon as the withdrawals occurred. The jockeys for the second race have been posted heretofore before the running of the first race, and so on throughout the day's racing programme. Today the information was not available to race patrons until after the results of the previous race had been verified and posted. The withholding of this information is a severe blow to the pool-rooms, as without it the proprietors and betters in such establishments must operate largely in the dark.

## Summary.

First race—Five furlongs—Diamond (3 to 1) first, Toots Mook (12 to 1) second, Brush Up (2 to 1) third. Time, 1:00.
